

Speedom 500 API-SJ, JASO MA 2

Multi-grade Motorcycle Engine Oil

Description:

Energo Speedom 500 Engine Oil is for low, medium and high cylinder capacity 4-stroke engines. Speedom 500 oil is blended with high quality performance paraffinic base stock and advance technology additive system. The oil is suitable for driving long distances without worrying about performance loss or premature wear in different situation.

Application:

- Air and liquid cooled four stroke motorcycle engines
- Motor Bike with or without immersed clutches.
- Motor Bike with back torque limiters.
- Motor bike with exhaust catalytic converters.

Benefits:

- Environment friendly.
- Exhibits easier cold weather starting.
- Resists breakdown at high temperatures.
- Withstands the stress of heat, wear and corrosion.
- Longer drain intervals and smooth running of engines.
- Good compatibility with rubber to Protect rubber seals.
- Increases fuel economy due to ultra-low vaporization loss.
- Highly efficient in dispersancy and detergency keeps engine clean.
- Specialized additives help prevent ring sticking and buildup of harmful deposit.

Technical Specifications:

Product	SAE Grade	Viscosity (cSt) @ 40°C	Viscosity (cSt) @ 100°C	VI	Flash Point (COC) °C	Base Number (mgKOH/g)	Pour Point °C
Speedom 500	20W-50	153	17.5	125	252	6.3	-24
